DOCKET CONTROL

ORIGINAL

Subject: Docket No E-00000XX-13-0214

I write you to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These Standards are working to lower utility bills for me and my neighbors and make Arizona an affordable place to live and work.

*I strongly urge you to support energy efficiency
to keep jobs local, grow Arizona's economy
and become less dependent on oil.*

I am confident you will do the right thing for Arizona and our state's economy. Please continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

Harkins Kudo
